**Pruitt Stated That The Obama Administration's Determination Was Wrong.** "The Obama administration's determination was wrong,' Pruitt said in a statement. 'Obama's EPA cut the Midterm Evaluation process short with politically charged expediency, made assumptions about the standards that didn't comport with reality, and set the standards too high.' Pruitt did not specify what limits would be put in place, saying the EPA and the National Highway Traffic Safety Administration would establish a national standard that 'allows auto manufacturers to make cars that people both want and can afford — while still expanding environmental and safety benefits of newer cars.'"
